*Paul,*

*I need some things to make a salad. We've got some beans, but we haven't got any green peppers or carrots. We've got some lettuce, but we haven't got any tomatoes. Can you get some? There's some cheese in the fridge, but there isn't any chicken. Can you get some olive oil, too, please? I will come home at half past four. There's some money on the table.*

*Thanks,*
